With regard to the revision of the scale of Pay of the Health Inspector from 35-2-55 to 45-3-90, the instructions of the Director of Public Health in Mysore, Bangalore, to adopt the said scale with effect from 1st January 1947 have been followed and this has also been included in the proposition Statement.

2. The proposition Statement obtained in duplicate from the President of the Mudigere Municipality is enclosed with the records. On the Proposition Statement corrected in this office, the President has recorded a certificate of having verified the proposals with reference to the scale register of the Municipality. The proposal involves an extra expenditure of Rs.198-7-0 per mensem, which works up to Rs 2381-4-0 per annum.

3. While the matter was under the consideration of the Municipal Council, the Sweepers became impatient and threatened to go on strikes in case the increased salary was not drawn and disbursed to the

to them. It was therefore resolved by the Council at its meeting held on 28th February 1948 to draw the increased salaries in respect of the Scavenging staff with effect from 1st February 1948 in anticipation of the sanction of Government. The Municipal Daffedarm is also being paid accordingly.

4. The other employees of the Municipality who have not yet been given the benefit of the revised rates of salaries, notified their intention of going on a strike in case they are not immediately given the revised pay.- This was brought before the Municipal Council on 29th September 1948, when those employees expressed their regret and it was resolved to meet the extra expenditure devolving on the Municipal funds out of the provision in the Budget of the Municipality for the current year. The closing balance at the credit of the Municipality as on 1-10-1948 is reported to be Rs.4350-1-9 .

5. In the above circumstances, It is reported by the President, Mudigere Municipality that the benefit of the revised scales of pay may be given effect to immediately in view of the fact that the extra cost has been provided in the current year's Budget of the Municipality The Municipal Council has not provided for the extra cost in this behalf for the period prior to 1-7-1948. While sanctioning the Budget I shall provide for this expenditure also.

6. I therefore request you kindly to obtain the approval of the Government to the action taken by the Municipal Council in regard to the payment of the increased salaries to the Sweepers and the Municipal Daffedar from 1st February 1948 and to the revision of scales of pay of the employees as proposed by the Municipal Council. I solicit very early orders of the Government in the matter.

Yours Faithfully,

H P Ramachandraya
